Jesus suggests that even with a modest faith we can do great things. He uses an uprooted mulberry tree planted in the ocean as a paradoxical example of what faith can achieve.

## FROM THE MODERATOR

Dear friends,

I hope you will join me in welcoming Anton Perera to our City Pastoral Region. Anton, who is 38 years old, has just arrived from Sri Lanka and will be living with Fr Paul and myself in the Cathedral presbytery for some time while he undertakes a pastoral placement in preparation for ordination to the diaconate and then the priesthood. Anton has completed his seminary studies and we hope he will have a long and fruitful ministry in our diocese. Please keep him in your prayers.

On another matter, I can advise that Fr Peter Thoai, who has been away on annual leave and then sick leave since July this year, will not be returning to the City Pastoral Region due to ongoing health issues. We thank Fr Peter for his ministry, and I ask that you keep him in your prayers. In view of this, Fr Paul Chackanikunnel will be remaining with us for an extended period, and we thank him for his ongoing generosity and service.

This coming week Fr Bob Searle is going on annual leave until late October, so there will be no 10.15 am Friday morning Mass at the Junction for the next 3 weeks. Those who regularly attend this Mass would be most welcome to join the congregation at the Cathedral for the midday Mass there on those Fridays. We thank Fr Bob for his wonderful ministering to our inner city Mass communities and wish him a very happy holiday.

Finally, don't forget daylight saving commences this weekend and therefore to put your clocks forward one hour if you haven't already done so.

Thank you,  
Fr John

## SETTLEMENT SERVICES INTERNATIONAL SEARCHES FOR RENTAL PROPERTIES

Over the coming month, more than 60 people from refugee backgrounds are arriving in Newcastle, and Settlement Services International (SSI) are struggling to secure enough on-arrival accommodation to house them. The regional housing crisis that is affecting our whole community is having a significant impact on their ability to welcome people into our community. At this stage it looks like they may need to redirect families to Sydney. Can you help?

SSI is looking for houses or units that can fit families of two to seven people, or some single bedroom units. Some of these rental properties will be "head leased" by SSI Group and used as on-arrival accommodation. Others may be rented directly to families from refugee backgrounds already here, and free up some of our existing on-arrival accommodation. Unfortunately, generous offers of a room in someone's home can't be used for on-arrival accommodation for these families. Email Helen Larkin [hlarkin@ssi.org.au](mailto:hlarkin@ssi.org.au) if you can help.

## Scriptural context

### A lesson for the disciples

*For the last few months, in the Sunday gospel readings, we have been working our way through the second half of the gospel of Luke. From the end of chapter 9 onwards, the gospel charts the journey of Jesus towards Jerusalem. Throughout this journey, Jesus teaches his disciples and attempts to prepare them for his departure and their need to step up and take on his ministry. Today's passage is an example of this instruction to the disciples. Jesus makes clear that they are being called to give their lives to faith in service of others without expecting any return – just as Jesus does!*

## REFLECTION

by Richard Leonard

Today's Gospel highlights what a different world Jesus and the earliest Christians lived in by comparison with us today. Jesus and Luke's community unquestionably believed in slavery. In all the Gospels Jesus regularly draws on the image of a slave to make points about duty, respect or responsibility. In other passages Jesus and St Paul advocate for the just treatment of slaves or servants, but it was an institution in their world that they never questioned. They never told the slaves to make a bid for freedom. They never told Christian slave owners to set their slaves free.

Like society generally, the Church, for most of its history, followed this line. Much to our shame, when the tide rightly turned against slavery in the 18th and 19th centuries, the Church was, generally, very slow to be converted to the emancipation movement and take a stand against the colonialism and racism that slavery enshrined.

Our movement on the question of slavery is a wonderful study in the development of doctrine. Not all social realities that Jesus assumed in his day continue to be relevant to our world. It took Society 1800 years, and the Church a bit longer still, to see slavery for what it is – an assault on the children of God – both servant and master. It shows how we have to keep carefully discerning the movement of the Holy Spirit and God's guidance in the light of new thinking.

The image of the slave in today's Gospel is invoked to underline our response to God's goodness. Our work for God is seen to be totally disproportionate to the gifts we have been given. Holding, as we do, that life, creation, all talents, gifts, and, in our case, security and peace are fruits of God's love, Jesus is right to highlight which side of the ledger is more generous.

To serve God in the world, in response to his invitation, is a privilege. We share in his creativity, compassion, hospitality and care. And often, through us, others come to know God and judge if Christian faith is sincere. As respondents to many surveys tell us, they may like who Jesus is and his teaching in the Gospel, but the stumbling block for their joining us is the way they see that faith lived out in the Church.

Many of us, however, struggle on heroically to serve God as best we can. Our faith gives purpose and meaning to our work in the world. As difficult as it can be to love others and live peacefully, we know this is God's desire and intention for the world. Every act of kindness that we perform extends God's kingdom, nothing is too small, nothing is insignificant. If all of us

lived out Christian teaching, the world would be transformed overnight. It is not that our virtues and values have been found wanting, it's more that they are not fully tried out.

May this Eucharist, then, give us a sense of the dignity we have by being called as servants or slaves, friends and family of Jesus Christ the Lord.

## DIOCESAN COUNCIL OF MINISTRY WITH YOUNG PEOPLE: BR. DAMIAN PRICE RETREAT

The Diocesan Council for Ministry with Young People is hosting a retreat on Saturday 29 October 2022 with Br Damian Price. Attending guests will have the option to attend a second Strategic Vision Planning Day on Sunday 30 October from 10am-3pm at the Newcastle Diocese Meeting Rooms. Br Damian Price is a Christian Brother of the Oceania Province; he has worked in youth ministry for years. The retreat will be based on the following words from Pope Francis:

*"An evangelising community gets involved by word and deed in people's daily lives; it bridges distances, it is willing to abase itself if necessary and it embraces human life, touching the suffering flesh of Christ in others. Evangelisers thus take on the "smell of the sheep" and the sheep are willing to hear their voice. An evangelising community is also supportive, standing by people at every step of the way, no matter how difficult or lengthy this may prove to be."*

## Faith

*The disciples ask Jesus to increase their faith, but their question – and the reply given by Jesus – does not make clear the faith that they want increased. Is it their faith in God; their faith in themselves; or their faith in the people they are called to serve? The response by Jesus suggests that, in fact, it is faith in all these things. Faith in God and faith in self are intrinsically linked and Jesus makes plain to the disciples that this faith must find its expression in selfless service to others.*

hold generational wisdom about how to live gratefully  
within the limits of the land.

These films help us to consider our call to action. Where do

can these films help us to feel equipped for the call to  
action?

## THE CHOSEN EXPERIENCE – SEASON ONE

We invite you to join us in soaking up to the sights, smells,  
and tastes of 1st Century Palestine.

We welcome you to join us to view the first-ever multi-  
season series about the life of Christ.

The Chosen is a series which brings to life an interpretation

includes the backstories for each of the disciples that were  
individually chosen by Jesus. We are first invited into each  
of their lives, into their struggles and baggage. But once  
introduced to Jesus and the invitation to spend time with  
him, we are invited to witness such a transformation of  
each of his first followers.

Each Thursday evening during October and November join  
us to share a meal, watch and discuss the episode.

The Chosen Experience commences on October 6 at 6pm in
