THE BISHOP'S FLOOD APPEAL - THANK YOU

A heartfelt thank you to everyone who contributed to the Bishop's Flood Appeal. Thanks to your generosity, we've raised over \$100,000 to support those rebuilding after the devastating floods across Taree and the Manning community. Your kindness is helping families, schools, and parishes begin the long journey of recovery.

As recovery continues, we ask you to keep those affected in your thoughts and prayers. Hear more from Bishop Michael and others in the Taree Community in this video!

FROM THE PARISH PRIEST

Dear Parish Family,

At the end of the year, we will begin preparation for our Parish Assembly – on 1 November, All Saints Day. This will be session one of what I hope will be a Trinity of meetings that should, at the end of the process, see us with a strategic plan and a map for developing our pastoral plan for the next three or so years. We do have some big decisions to make and some strategic mapping for the future to do.

I have spoken already to some and particularly our Parish Pastoral Council about the need for proper 'closure' and a period of storytelling, much like we would do at a Wake, for those masses and churches that have either closed or changed. There was good reason for the need to close our churches and alter our masses; it is important though for us to make sure we don't lose our history, tradition or, just as importantly, our stories together.

I'm aware that we will never be able to re-open St Columban Catholic Church; St Laurence O'Toole will possibly be in the same 'boat'. I acknowledge too the other Churches, as in Merewether Beach, and I know that St Joseph's Catholic Church in The Junction had its Masses changed to welcome the community from Broadmeadow. It has been like this since the Catholic Church arrived in Australia – we built, closed, rebuilt churches as communities shifted and changed, people came and went, celebrated births (baptisms), deaths (funerals) and marriages. They are all part of the kaleidoscope of our faith communities - recognising that the church wasn't the building, but all the people that gathered around the altar, heard the word of God and were transformed by the Eucharist for mission.

I am looking for people from the various churches that have been part of those communities to help us tell the story of the people and history of those places. **Do you know the people who might come to assist us? Do you have photos of celebrations and events?** I am hoping to run two opportunities to celebrate and grieve, reach closure, for those communities.

It will mean time for telling the story, viewing the icons and pictures of those churches and the wonderful people who worshipped and celebrated life there. It will mean a time to acknowledge the sadness of the loss, to give thanks for the life we shared, and then to take the good (graces) to the next stage of our life together.

Will you come? Will you tell others? Will you share

your memories? So, lock in these dates (8 August 5.30pm Mary McKillop's feast day, 8 September 5.30pm Our Lady's birthday) and stay tuned for more information. Best wishes,

Greg, Parish Priest.

SAVE THE DATE

Stockton Parish Meeting with the Parish Priest. 13 July 2025 after Mass in the Parish Church. All welcome to attend.

Living the Gospel - Who do you say I am?

The question Jesus puts to his disciples is the very same question that he puts to us every day of our lives, 'Who do you say I am?' How we choose to answer that question will be reflected in our attitude towards self, others and to life itself. How we answer that question will change frequently throughout life as experience and changing spirituality lead us into asking other questions of ourselves. If we hold that the teaching and example of Jesus are important to us, then we are bound to strive towards emulating them in our own lives.

DISCONTINUATION OF MASS APP

The Mass App will be discontinued from 1 July 2025, but an alternative for electronic giving is direct debit, which can be set up in one of two ways:

- ⇒ via the Direct Debit Planned Giving form found at [Forms - Catholic Community Fund](#), or,
- ⇒ via the Planned Giving section of the Diocesan website, within [Donations and Payments - Catholic Diocese of Maitland-Newcastle](#).

The direct debit option is managed by the Catholic Community Fund (CCF) and includes the facility to split donations between the 1st and 2nd collections.

Thank you for your ongoing support.

ST NICHOLAS EARLY EDUCATION SERVICES – REQUEST SEWING SKILLS

We are seeking help from parishioners or a sewing group who would be able to help make some scarves for children in our centres. Scarves are used for multiple purposes, including dress-ups, exploring movement, and covering and uncovering objects, so can be used from babies through to pre-schoolers.

We have about 5 rolls of fabric that would be required to be cut and hemmed into a standard size.

If you can help, please contact Nicole on 0437 648 953.

AURORA'S NEW DIGITAL FORMAT

Welcome to the new digital home of Aurora. Since our final print issue in March, much has changed - the loss of Pope Francis and the conclave that brought us Pope Leo XIV. More than 1,000 people from across the Diocese came together to launch the Jubilee Year in a powerful celebration of faith and hope. And most recently, our region has faced a natural disaster, with many still feeling its ongoing impacts.

Through it all, Aurora's new digital format has allowed us to share timely, relevant stories, by being on the ground and publishing as events unfold. While the platform may be new, our purpose remains the same: to continue sharing the stories that shape us, from local voices and lived experiences to major events influencing the Church and the wider world.

We'd love your help spreading the word by encouraging colleagues, friends and family to subscribe so they can receive Aurora straight to their inbox. Go to:
